We are proud to welcome today's Auctioneer
A.L. Buck Buchanan II

All guests participating in the silent or live auction must check-in at the Clay Shoot Registration table upon arrival. You will receive a bid number to use during the event. The doors open at 7:30 AM. Payment is required in full on or before December 3, 2018. We gladly accept your payment by cash, personal check, VISA, MasterCard, Discovery or American Express.

Live Auction: Live auction will begin at 12:00 pm and end when all items have been auctioned off. To bid in the live auction, hold your bid card up high towards the auctioneer or a spotter. The highest bidder acknowledged by the auctioneer will be the winner of the item. The highest bidder acknowledged by the auctioneer in the live auction is in a legal contract to purchase the item. The auctioneer will have sole and final discretion to determine the successful bidder or to re-offer the item in dispute.

The purchaser must arrange reservations for trips and vacation accommodations with the donor. No refunds will be allowed on travel packages for canceled tickets and/or accommodations. All live auction items, trips and experiences are subject to availability of all parties. Due to printing deadlines, this auction brochure may not contain all items or details up for bid in the live auction. The sales team at the check-out table will have a list of the winning bids and bidders. Check-out will be open at the end of live auction.

Silent Auction: Silent auction will open at 7:30 am and end at 11: 55 am. Items offered in the silent auction will have a bid form next to item. Make you bid by simply writing your bid number and bid amount on the lines as indicated. Bid raises will be indicated on the bid sheets. No bids will be accepted below the minimum bid on the bid sheet. "Fair Market Value" is a good faith estimate determined by the donor and/or the auction committee.

Bid on any item in the silent auction until the silent auction is closed. The closing time is 11:55 am and will be announced immediately upon closing. Silent auction officials will gather the bid number and amount. The winning bid is a legal contract to purchase that item. Under no circumstances should you write in another bidder's number without express permission from the bid number holder.

Check-out will open at the END OF SILENT AUCTION. Check-out will be located where you registered and will be by last name.
